

### What is Medication Assistance?

- A way to get medicines you are unable to pay for.
- Some drug companies have agreed to provide certain medicines at a lower cost to help people who do not have prescription drug coverage.

### Who Qualifies?

- Must be a patient of Eastern Shore Rural Health System, Inc. (Atlantic, Bayview, Chincoteague, Onley, Franktown, Dental)
- Patients who qualify are usually on sliding fee or have no prescription insurance.

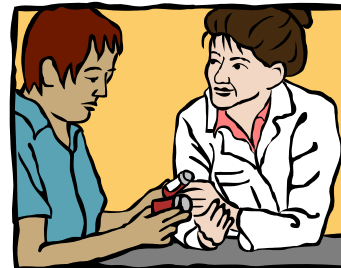

### How do I get started?

- Tell your doctor that you need help paying for your medicines. Your doctor will refer you to the Medication Assistance Caseworker.
- Call the Medication Assistance Caseworker to set up a meeting. Bring proof of income (1040 Federal tax forms and recent pay stubs).
- If you qualify, the Medication Assistance Caseworker will submit an application to the drug company for approval. This could take 8-10 weeks.

### How do I get medications?

- The Medication Assistance Caseworker will let you know when & where to pick up your prescription.

### What about refills?

- It can take another 6-8 weeks for refills. Please call and make an appointment with your Medication Assistance Caseworker six weeks after you receive your medicines to order a refill.

### What does it cost?

- You will pay \$4.25, for each medicine, at the time you order the medicine. Usually you will receive a 3 month supply of medication for this charge.
