

## Traveling Oral Health Prevention Program

Rural Health travels to other locations to provide dental services with portable equipment. Call 757-442-4819 ext. 1158 for details.

*The traveling dental program currently goes to Accomack County and Northampton County Public Schools without a permanent Rural Health dental site when school is in session.*

## 24-Hour Call Number

For a need that is not an emergency, but can't wait until we are open to call, dial your dental office to be connected to the provider on call. We offer advice for dental emergencies (both infections or accidents) when we are closed. For emergencies call 911 immediately!

## Dental Offices

## Guide to Dental Services

**Exceptional care.  
Every patient.  
Every time.**

[www.esrh.org](http://www.esrh.org)

 **Follow us on Facebook**  
[www.facebook.com/esrhs](http://www.facebook.com/esrhs)

## **Our mission is to make comprehensive primary care accessible to all regardless of ability to pay.**

We provide general, or basic, primary health care to all age groups, male and female, and refer to specialists when needed. Patient health care education is available.

An Eastern Shore Rural Health System, Inc. provider directory, Patients' Rights and Responsibilities and No Show Guidelines are available at [www.esrh.org](http://www.esrh.org) and in print at each center.

Our dental program currently provides full services for the following high risk populations including:

- Children.
- Pregnant women, patients with poorly controlled diabetes, patients who have HIV, or are receiving radiation therapy and/or chemotherapy for cancer, or patients who are preparing for organ transplant or prosthetic joint replacement.
- Patients with other medical conditions referred by a Rural Health medical provider.

Additionally patients of recently retired local dentists are seen as space allows.

**Emergency care is available for all Eastern Shore of VA residents.**

## **Dental Services**

- Routine cleaning of teeth and gums.
- Examinations both emergency and comprehensive dental exams with dental X-rays.
- Amalgam (silver) and composite (white) fillings.
- Extractions.
- Root canals.
- Crowns and Bridges.
- Partial and full dentures.
- Space maintainers for missing baby teeth.
- Nitrous Oxide for young and fearful patients. Nitrous oxide is mixed with oxygen and inhaled through a small mask to help you relax.
- Electronic Health Records.
- Treatment room for patients with special health care needs at our Eastville center.

## **Payment Information**

We accept HMO, Health Insurance Marketplace, Medicaid, FAMIS insurance and most private dental insurances. A sliding fee discount is also available based on income and family size. The sliding fee application can be found in the Forms section at [esrh.org](http://esrh.org) or by speaking to the patient account manager at your center.

Need help enrolling your family in a Health Insurance Marketplace plan or your child in FAMIS? Our insurance enrollment specialists can help! For assistance call your center and dial ext. 1055 (Atlantic/Chincoteague); ext. 1034 (Eastville/Franktown); or ext. 1056 (Onley) or email [getcovered@esrh.org](mailto:getcovered@esrh.org).

## **Dental Program Expansion**

### **Accomack County Public Schools Dental Program**

A new Rural Health dental unit opened at Nandua Middle School in May 2022! This site is part of the school dental program partnership with Accomack County Public Schools. This location is open to children ages 6 months to 18 years year round.

### **Northampton County Public Schools Dental Program**

Rural Health is now partnering with Northampton County Public Schools to provide a school dental program. NCPS students are being seen at their schools through the Traveling Oral Health Prevention Program when school is in session. The first dental unit is scheduled to open in 2022 at Kiptopeke Elementary School. The Kiptopeke dental office will be open year round.

*This institution is an equal opportunity provider.*
